

Progression Pathways

I want to have the best chance to get into the University I want to, doing the course I want to. I have 35 points at GCSEs including C grades or above in English and Maths.

**International Baccalaureate
Diploma Programme**

I want to go to University but I want to learn knowledge and skills directly relevant to the world of work. I have 5 GCSEs at C grade and above and at least Ds in English and Maths.

**Level 3 Applied or
Vocational Courses**

I might go to University eventually or I might go into a job. I prefer learning practical skills and knowledge. I have 6 GCSEs at G grade and above and at least Es in English and Maths.

**Level 2 Applied or
Vocational Courses**

I want to get a job. I want to learn practical skills and knowledge. My GCSE results were not good but I am prepared to work hard and have a good school reference.

**Level 1 Applied or
Vocational Courses**
