

Message from the Headteacher

Dear Parents

Please attend the Parents' Evening. Last year all the year 11 parents attended and their children's results were excellent. This is a very clear way you can make a really positive difference to your child's success, as we found last year. Even if the teachers are busy they will fit you in for an appointment. I look forward to seeing you on Monday.

Books For Schools Times Promotion 2009

Dear Parents/Guardians

We have signed up for a great new collection scheme that could provide Villiers High School Library with hundreds of new books and we would like your help.

From January 11 Books for Schools tokens will appear in The Times and The Sunday Times daily. We can exchange these tokens for free books of our choice from a catalogue of 170 titles.

There will be 12 tokens printed off every week and with books starting at only 10 tokens you don't have to be a regular Times reader to really make a difference to our collection.

Please make sure you have all your tokens before the Easter holidays begin. With your help we can make a real difference to our students by making the very best titles available to them to encourage them to read and improve their literacy.

Please contact me on 0208 813 8001 x311 if you have any queries regarding this or any other matter.

We really appreciate your help and support in this matter!!!!

LONDON ZOO (ZSL) NEWS FROM VILLIERS

In the last two weeks the year seven pupils were treated to some live Science lessons by London Zoo staff. Here is what some of them have to say in their own words:

'Across the world animals are dying out because they are losing their habitats. We may never see some of these animals again unless some drastic action is taken to save their homes. We are lucky to have the London Zoo which takes care of many types of animals from around the world.' (Jagta Sanghera)

'The animals came a long way from the London Zoo to Villiers High School to meet new people who had never seen them before, I was so excited to see and touch a ferra cat from South America, the harmless Corn snake from America. I felt like I was in those remote places at that moment.' (Hani Nadif)

'Did you know that an arctic fox change its fur colour in summer to chocolate and white in winter. This is all about blending with the environment for survival. You all know bunnies are cute and cuddly, but did you know that they can eat their own poo to get all the good out of it' (Ayla Bowers)

Mr R. Dzapasi (Science Enhancement Co-ordinator)

Cricket

Well done to Dhamen Khanna 7VZ and Nehaal Ahmed who have been selected to play Cricket for Ealing in the London Heathrow Games. We wish them the best of luck with their up coming fixtures.
