Dear Parent/Carer,

**Re: COVID-19 Update – Partial School Closure**

As you will be aware from our previous communications, we have aimed to keep the school open in line with Government guidelines.

However, in the light of the significant rise in staff absences, we are unable to continue with full coverage of all classes.

From Thursday 19<sup>th</sup> March, the school will remain open for Years 10-13 only. This situation will be reviewed on Friday and a further communication will be sent regarding arrangements for the following week.

Students in Years 7-9 have been provided with hard-copies of work for different subjects which they should complete at home. They have also been set work on Google Classroom which they should complete in the event of further school closure.

Students in Years 10-13 may have a modified school timetable on Thursday and Friday.

We thank you for your support in these unprecedented and difficult times. Please contact the school if you have any concerns and regularly check for updates on the school website.

Yours sincerely,

**Ms Aruna Sharma**  
**Headteacher**
